

APPENDIX D. PARTICIPATION MATRIX

The matrix in Appendix D is intended to give a broad overview of FEMA, New York State, county, municipal and stakeholder personnel that participated in the Rockland County HMP update planning process. Meeting attendees and input provided are also included. All participants were encouraged to attend the kick-off meeting and jurisdictional annex workshop. During the planning process the consultant contacted each participant to offer support, explain the process, and facilitate the submittal and review of critical documents.

The participating jurisdictions agreed to abide by the Planning Partner Expectations and Planning Committee Guidelines which established a Steering Committee; refer to Letters of Intent to Participate included in this appendix. The Steering Committee served as the core of the working group. Participation is defined as having input to the hazard analysis (providing critical facility, hazard event, vulnerability data), and as having participated in the annex workshop or alternate annex meetings as described in the HMP for the purpose of creating a mitigation strategy to be included in each municipalities annex in Section 9.

Name	Title / Position	Attended Meeting(s)	Completed Information Gathering Worksheets / Surveys	Provided Data and Information	Reviewed/Updated Inventories (e.g. Critical Facilities)	Identified vulnerabilities	Identified progress on original Mitigation Strategy	Supported update of Mitigation Strategy	Facilitated/Supported public and stakeholder outreach	Supported Integration/Coordination with other Planning Mechanisms	Reviewed/Approved Draft and Final Plan Sections	Designated Project Point of Contact

TOWN OF CLARKSTOWN

GEORGE HOEHMANN
SUPERVISOR

September 9, 2016

Christopher F. Jensen, Program Coordinator
Rockland County Office of Fire and Emergency Services
35 Firemen's Memorial Drive
Pomona, New York 10970

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate - **Town of Clarkstown**

Dear Christopher Jensen:

Town of Clarkstown is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the **Town of Clarkstown**:

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.

- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: James McCormick	Position/Department: Sergeant / Police Department
Phone Number: 845-222-2336	Email Address: J.McCormick@Clarkstown.org
Alternate/Secondary POC: Vincent Balascio	Position/Department: Director of Finance / Supervisors Office
Phone Number: 914-848-6483	Email Address: V.Balascio@Clarkstown.org

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: Luke Kalarickal P.E.	Position/Department: Director / Department of Enviromental Control
Phone Number: 845-639-2111	Email Address: L.Kalarickal@Clarkstown.org

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

George Hoehmann

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate – Town of Ramapo

Dear Mr. Jensen:

The Town of Ramapo is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Town of Ramapo:

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:

- Structure and facility inventory data
- Identification of new development and anticipated development
- Identification of natural hazard risk areas
- Identification of natural hazard events and losses that have impacted your community in the last five years
- Identification of plans, studies, reports and ordinances addressing natural hazard risk
- Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: Thomas (Tom) Sullivan	Position/Department: Land Acquisition Agent, Town Attorney's Office
Phone Number: (845) 357-5100 ext. 430	Email Address: sullivan@ramapo-ny.gov

Alternate/Secondary POC: Liborio (Lee) Derario	Position/Department: Director of Municipal Development & Property
Phone Number: (845) 357-0591 ext. 119	Email Address: derariol@ramapo-ny.gov

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: Anthony Sharan	Position/Department: Highway Superintendent
Phone Number: (845) 357-0903	Email Address: sharant@ramapo-ny.gov

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

Christopher P. St. Lawrence
Supervisor

MUNICIPALITY LETTERHEAD

Date: September 21, 2016

Christopher F. Jensen, Program Coordinator
Rockland County Office of Fire and Emergency Services
35 Firemen's Memorial Drive
Pomona, New York 10970

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate - Town of Stony Point

Dear Contact Name:

The Town of Stony Point is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Town of Stony Point;

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.

- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: Jim Monaghan	Position/Department: Supervisor, Town Of Stony Point
Phone Number: (845) 786-2716 ext: 111	Email Address: supervisor@townofstonypoint.org
Alternate/Secondary POC: William Sheehan	Position/Department: Building Inspector, Town of Stony Point
Phone Number: (845) 786-2716 ext: 103	Email Address: wsheehan@townofstonypoint.org

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: William Sheehan	Position/Department: Building Inspector, Town of Stony Point
Phone Number: (845) 786-2716 ext: 103	Email Address: wsheehan@townofstonypoint.org

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Monaghan". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.

Jim Monaghan

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate – Village of Airmont

Dear Sir/Madam:

The Village of Airmont is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Village of Airmont

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee (“Steering Committee”), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this “Authorization and Acknowledgement” letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years

- Identification of plans, studies, reports and ordinances addressing natural hazard risk
- Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

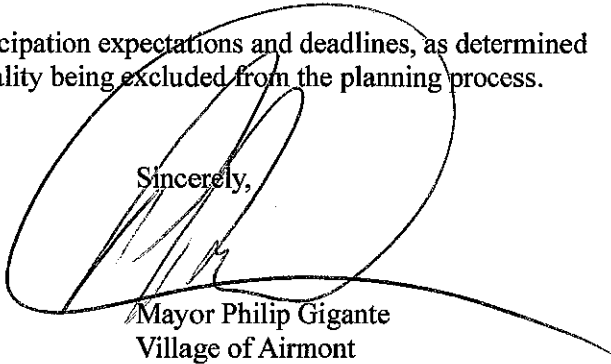

Primary POC: Eve Mancuso	Position/Department: Village Engineer

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate - [Village of Montebello]

Dear Contact Name:

Village of Montebello is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Village of Montebello.

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.

2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:

- Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
- Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
- Support the Steering Committee selected to oversee the development of this plan.
- Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).

- Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.

- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.

- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information-collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

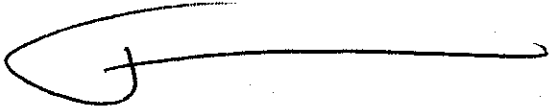

Primary POC: MARTIN SPENCE	Position/Department: VILLAGE ENGINEER
Phone Number: 201-934-0300	Email Address: mkspence@spenceengineer.com
Alternate/Secondary POC: LANCE N. MILLMAN	Position/Department: VILLAGE MAYOR
Phone Number: 845-368-2211	Email Address: mayor@villageofmontebello.com

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: MARTIN SPENCE	Position/Department: VILLAGE ENGINEER
Phone Number: 201 934-0300	Email Address: mksponce@spenceengineer.com

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Subject: Rockland County FEMA Hazard Mitigation Plan Update Authorization and Letter of Intent to Participate – Village of New Hempstead

Dear Mr. Jensen:

The Village of New Hempstead is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Village of New Hempstead:

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.

- Support the Steering Committee selected to oversee the development of this plan.
- Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
- Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: Fred Brinn	Position/Department: Mayor
Phone Number: (845) 354-8100	Email Address: Mayor@newhempstead.org
Alternate/Secondary POC: Carole Vazquez	Position/Department: Village Clerk-Treasurer
Phone Number: (845) 354-8100	Email Address: CVazquez@newhempstead.org

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: Brooker Engineering, PLLC	Position/Department: Village Engineer
Phone Number: (845) 357-4411	Email Address: Info@brookerengineering.com

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

Carole Vazquez

Carole Vazquez, Village Clerk-Treasurer

Please work with your municipal planning team and complete this worksheet. Please send electronic Word version by October 21, 2016 to:
 Jonathan Raser, CFM
 Phone: 973-630-8042 E-mail: jonathan.raser@tetratech.com

Municipality: Village of New Hempstead
 Name and Title of Individual Completing Worksheet: Elizabeth Mello, P.E.

Who can provide information about events and losses: OEM Coordinator, Police, Fire, DPW, building inspector, municipal engineer. Refer to FEMA Project Worksheets (PWs), DPW records, police response records, etc.

In the table below, please identify events in which your community suffered significant damages/losses and describe these losses (e.g., flooded roads, road closures, DPW/Police overtime, debris management, opened shelter for two days, etc.). Please add other non-declared events that affected your community that are not listed.

Then, please fill out an ‘Event and Loss Summary Sheet’ for all events that have incurred significant damages/losses. Feel free to add additional sheets for other major events that impacted your community.

Dates of Event	Event Type (Disaster Declaration if applicable)	Rockland County Designated?	Did your community suffer losses/costs from this event? (Yes/No - If "yes" please complete an Event Loss Summary Sheet for this event.)	Notes on damages within County
August 10, 2009	Thunderstorms	N/A		\$25,000 in damages throughout County
January 25, 2010	High Wind	N/A		\$100,000 in damages throughout County
March 13-31, 2010	Severe Storms and Flooding DR-1899	Yes	<i>Note: All should fill out an Event Loss Summary sheet for this event.</i>	No damages provided to date.
July 19, 2010	Thunderstorms, Lightning, Wind	N/A		\$36,000 in damages throughout County
December 26-27, 2010	Severe Winter Storm and Snowstorm DR-1957	Yes	<i>Note: All should fill out an Event Loss Summary sheet for this event.</i>	No damages provided to date.
August 25 – September 5, 2011	Hurricane Irene DR-4020	Yes	<i>Note: All should fill out an Event Loss Summary sheet for this event.</i>	Power outages Torn of Ramapo addresses damaged trees & road closures.
October 27 – November 8, 2012	Hurricane Sandy DR-4085	Yes	<i>Note: All should fill out an Event Loss Summary sheet for this event.</i>	Individual homes may have incurred damage; power out for 7 days

**ROCKLAND COUNTY HAZARD MITIGATION
PLAN UPDATE
Worksheet #1 – Events and Losses**

Dates of Event	Event Type (Disaster Declaration if applicable)	Rockland County Designated?	Did your community suffer losses/costs from this event? (Yes/No - If "yes" please complete an Event Loss Summary Sheet for this event.)	Notes on damages within County
February 16, 2016	Strong Winds	N/A		\$50,000 in damages throughout County
Below, please identify other events that caused damage/losses in your community. Use additional rows if necessary.				

Please identify any specific vulnerabilities that you are aware of in your community (e.g. floodprone areas or specific properties, critical facilities that lack backup power, etc.):

9.11 VILLAGE OF NEW HEMPSTEAD

This section presents the jurisdictional annex for the Village of New Hempstead.

9.11.1 Hazard Mitigation Plan Point of Contact

The following individuals have been identified as the hazard mitigation plan's primary and alternate points of contact.

Primary Point of Contact	Alternate Point of Contact

9.11.2 Municipal Profile

The Village of New Hempstead is located in the Town of Ramapo in Rockland County. It is bordered to the north by the Village of Wesley Hills, to the south by the Village of Spring Valley, to the east by the Village of New Square, and to the west by the Town of Ramapo.

Growth/Development Trends

The following table summarizes recent residential/commercial development since 2010 to present and any known or anticipated major residential/commercial development and major infrastructure development that has been identified in the next five years within the municipality. Refer to the map in 9.11.8 of this annex which illustrates the hazard areas along with the location of potential new development.

Or

The Village of New Hempstead did not note any recent residential/commercial development since 2010 or any major residential or commercial development, or major infrastructure development planned for the next five years in the municipality.

Table 9.11-1. Growth and Development

Property or Development Name	Type (e.g. Res., Comm.)	# of Units / Structures	Location (address and/or Parcel ID)	Known Hazard Zone(s)	Description/Status of Development
Recent Development from 2010 to present					
Aterez Bais Yaakov	Synagogue	1	200 Summit Park Rd	wetlands	Active Application
Rockland Baptist Church	Church	1	200 Summit Park Rd	wetlands	Sold
Yeshiva Ohr Torah	School	1	360 Rt 306	wetlands	Built
Known or Anticipated Development in the Next Five (5) Years					
CVS	Comm.	1	Grandview Ave + Rt 306	wetlands, flood plain	Pending Application

* Only location-specific hazard zones or vulnerabilities identified.

9.11.3 Natural Hazard Event History Specific to the Municipality

Rockland County has a history of natural and non-natural hazard events as detailed in Volume I, Section 5.0 of this plan. A summary of historical events is provided in each of the hazard profiles and includes a chronology of events that have affected the County and its municipalities. For the purpose of this plan update, events that have occurred in the County from 2008 to present were summarized to indicate the range and impact of hazard events in the community. Information regarding specific damages is included, if available, based on reference material or local sources. This information is presented in the table below. For details of these and additional events, refer to Volume I, Section 5.0 of this plan.

Table 9.11-2. Hazard Event History *None*

Dates of Event	Event Type (Disaster Declaration if applicable)	Rockland County Designated?	Summary of Damages/Losses

- Notes:
- EM Emergency Declaration (FEMA)
 - FEMA Federal Emergency Management Agency
 - DR Major Disaster Declaration (FEMA)
 - N/A Not applicable

9.11.4 Hazard Vulnerabilities and Ranking

The hazard profiles in Section 5.0 of this plan have detailed information regarding each plan participant’s vulnerability to the identified hazards. The following summarizes the hazard vulnerabilities and their ranking in the Village of New Hempstead. For additional vulnerability information relevant to this jurisdiction, refer to Section 5.0.

Natural Hazard Risk/Vulnerability Risk Ranking

The table below summarizes the hazard risk/vulnerability rankings of potential natural hazards for the Village of New Hempstead.

Table 9.11-3. Hazard Risk/Vulnerability Risk Ranking *None*

Hazard type	Estimate of Potential Dollar Losses to Structures Vulnerable to the Hazard ^{a, c}	Probability of Occurrence	Risk Ranking Score (Probability x Impact)	Hazard Ranking ^b

Hazard type	Estimate of Potential Dollar Losses to Structures Vulnerable to the Hazard ^{a, c}	Probability of Occurrence	Risk Ranking Score (Probability x Impact)	Hazard Ranking ^b

Notes:

- a. Building damage ratio estimates based on FEMA 386-2 (August 2001)
- b. The valuation of general building stock and loss estimates was based on custom inventory for the municipality.
 High = Total hazard priority risk ranking score of 31 and above
 Medium = Total hazard priority risk ranking of 20-30+
 Low = Total hazard risk ranking below 20
- c. Loss estimates for the severe storm and severe winter storm hazards are structural values only and do not include the value of contents.
- d. Loss estimates for the flood and earthquake hazards represent both structure and contents.
- e. The HAZUS-MH earthquake model results are reported by Census Tract

National Flood Insurance Program (NFIP) Summary

The following table summarizes the NFIP statistics for the Village of New Hempstead.

Table 9.11-4. NFIP Summary *None*

Municipality	# Policies (1)	# Claims (Losses) (1)	Total Loss Payments (2)	# Rep. Loss Prop. (1)	# Severe Rep. Loss Prop. (1)	# Policies in 100-year Boundary (3)
Village of New Hempstead						

Source: FEMA Region 2, 2014

- a. Policies, claims, repetitive loss and severe repetitive loss statistics provided by FEMA Region 2, and are current as of XXXX. Please note the total number of repetitive loss properties includes the severe repetitive loss properties. The number of claims represents claims closed by XXXX.
 - b. Total building and content losses from the claims file provided by FEMA Region 2.
 - c. The policies inside and outside of the flood zones is based on the latitude and longitude provided by FEMA Region 2 in the policy file.
- Notes: FEMA noted that where there is more than one entry for a property, there may be more than one policy in force or more than one GIS possibility.
 A zero percentage denotes less than 1/100th percentage and not zero damages or vulnerability as may be the case.
 Number of policies and claims and claims total exclude properties located outside County boundary, based on provided latitude and longitude

Critical Facilities

The table below presents Hazards United States (HAZUS) – Multi-Hazards (MH) estimates of the damage and loss of use to critical facilities in the community as a result of a 1-percent annual chance flood event.

Table 9.11-5. Potential Flood Losses to Critical Facilities *None*

Name	Type	Exposure		Potential Loss from 1% Flood Event	
		1% Event	0.2% Event	Percent Structure Damage	Percent Content Damage

Source: XXXX

OR – IF NO CF IN SFHA WITH LOSSES:

Table 9.11-6. Potential Flood Losses to Critical Facilities

Name	Type	Exposure		Potential Loss from 1% Flood Event	
		1% Event	0.2% Event	Percent Structure Damage	Percent Content Damage
None identified.					

Source: XXXX

Other Vulnerabilities Identified *None*

The municipality has identified the following vulnerabilities within their community:

- Please identify any vulnerable areas in your municipality (for example, areas of flooding, steep slopes, etc.).

9.11.5 Capability Assessment

This section identifies the following capabilities of the local jurisdiction:

- Planning and regulatory capability
- Administrative and technical capability
- Fiscal capability
- Community classification
- National Flood Insurance Program
- Integration of mitigation planning into existing and future planning mechanisms

Planning and Regulatory Capability

The table below summarizes the regulatory tools that are available to the Village of New Hempstead.

Table 9.11-7. Planning and Regulatory Tools

Tool / Program (code, ordinance, plan)	Do you have this? (Yes/No) If Yes, date of adoption or update	Authority (local, county, state, federal)	Dept. /Agency Responsible	Code Citation and Comments (Code Chapter, name of plan, explanation of authority, etc.)
Planning Capability				
Master Plan	<i>Yes 10/06</i>	<i>local</i>	<i>Village Board</i>	<i>Comprehensive Plan</i>
Capital Improvements Plan	<i>NO</i>			
Floodplain Management / Basin Plan	<i>NO</i>			
Stormwater Management Plan	<i>Yes</i>		<i>Village Eng</i>	<i>Village participates in stormwater</i>
Open Space Plan	<i>NO</i>			<i>consultant</i>
Stream Corridor Management Plan	<i>NO</i>			
Watershed Management or Protection Plan	<i>NO</i>			
Economic Development Plan	<i>NO</i>			
Comprehensive Emergency Management Plan	<i>NO</i>			
Emergency Operation Plan	<i>NO</i>			

Tool / Program (code, ordinance, plan)	Do you have this? (Yes/No) If Yes, date of adoption or update	Authority (local, county, state, federal)	Dept. /Agency Responsible	Code Citation and Comments (Code Chapter, name of plan, explanation of authority, etc.)
Post-Disaster Recovery Plan	NO			
Transportation Plan	NO			
Strategic Recovery Planning Report	NO			
Other Plans:	NA			
Regulatory Capability				
Building Code	Yes	State & Local	Building Inspector	1984 adoption of Zoning Code
Zoning Ordinance	Yes 1984	Local	Planning Board	Zoning chapter
Subdivision Ordinance	Yes 1984	Local	Planning Board	Subdivision of Land
NFIP Flood Damage Prevention Ordinance	Yes 2014	Federal, State, Local	Building Inspector	Flood Damage Prevention
NFIP: Cumulative Substantial Damages	NO			
NFIP: Freeboard	Yes	State, Local	Building Inspector	State mandated BFE+2 for single and two-family residential construction, BFE+1 for all other construction types
Growth Management Ordinances	NO			
Site Plan Review Requirements	Yes	Local	Planning Board	Site Plan Review by Planning Board
Stormwater Management Ordinance	Yes	Local	Village	Stormwater Management Law
Municipal Separate Storm Sewer System (MS4)	Yes	Local	Village	" "
Natural Hazard Ordinance	NO			
Post-Disaster Recovery Ordinance	NO			
Real Estate Disclosure Requirement	Yes	State		NYS mandate, Property Condition Disclosure Act, NY Code - Article 14 §460-467
Other (Special Purpose Ordinances [i.e., sensitive areas, steep slope])	Yes	Local	Village	wetlands, steep slopes

Administrative and Technical Capability

The table below summarizes potential staff and personnel resources available to the Village of New Hempstead.

Table 9.11-8. Administrative and Technical Capabilities

Resources	Is this in place? (Yes or No)	Department/ Agency/Position
Administrative Capability		
Planning Board	Yes	Planning Board, Zoning Board
Mitigation Planning Committee	NO	
Environmental Board/Commission	NO	
Open Space Board/Committee	NO	

Resources	Is this in place? (Yes or No)	Department/ Agency/Position
Economic Development Commission/Committee	NO	
Maintenance programs to reduce risk	NO	
Mutual aid agreements	Yes	Town of Ramapo Police / DPW
Technical/Staffing Capability		
Planner(s) or engineer(s) with knowledge of land development and land management practices	Yes	Brooker Engineering (eng) / McLaren Eng (Planner)
Engineer(s) or professional(s) trained in construction practices related to buildings and/or infrastructure	Yes	Brooker Engineering Village Engineer
Planners or engineers with an understanding of natural hazards	Yes	Brooker Engineering / McLaren Eng.
NFIP Floodplain Administrator (FPA)	Yes	Building Inspector
Surveyor(s)	Yes	Brooker Eng has surveyors on staff
Personnel skilled or trained in GIS and/or Hazards United States (HAZUS) – Multi-Hazards (MH) applications	Yes	Brooker Engineering and village has access to County GIS Portal
Scientist familiar with natural hazards	Yes	Brooker Engineering
Emergency Manager	Yes	Mayor
Grant writer(s)	Yes	Joel Grossbarth - consultant
Staff with expertise or training in benefit/cost analysis	Yes	Brooker Engineering
Professionals trained in conducting damage assessments	Yes	Brooker Engineering

Fiscal Capability

The table below summarizes financial resources available to the Village of New Hempstead.

Table 9.11-9. Fiscal Capabilities

Financial Resources	Accessible or Eligible to Use (Yes/No)
Community development Block Grants (CDBG, CDBG-DR)	Yes for vacation camp for Blind
Capital improvements project funding	CHIPS - NYSDOT program
Authority to levy taxes for specific purposes	Yes
User fees for water, sewer, gas or electric service	NO
Impact fees for homebuyers or developers of new development/homes	Yes Recreational fee \$3200/lot
Stormwater utility fee	NO
Incur debt through general obligation bonds	Yes
Incur debt through special tax bonds	NO
Incur debt through private activity bonds	NO
Withhold public expenditures in hazard-prone areas	NO
Other federal or state Funding Programs	MIA
Open Space Acquisition funding programs	NO
Other	N/A

Community Classifications

The table below summarizes classifications for community program available to the Village of New Hempstead.

Table 9.11-10. Community Classifications

Program	Do you have this? (Yes/No)	Classification (if applicable)	Date Classified (if applicable)
Community Rating System (CRS)	NO		
Building Code Effectiveness Grading Schedule (BCEGS)	NO		
Public Protection (ISO Fire Protection Classes 1 to 10)	NO		
NYSDEC Climate Smart Community	NO		
Storm Ready Certification	NO		
Firewise Communities classification	NO		
Natural disaster/safety programs in/for schools	NO		
Organizations with mitigation focus (advocacy group, non-government)	NO		
Public education program/outreach (through website, social media)	Yes	MS4 outreach	
Public-private partnership initiatives addressing disaster-related issues	NO		

Note:

- N/A Not applicable
- NP Not participating
- Unavailable

The classifications listed above relate to the community’s ability to provide effective services to lessen its vulnerability to the hazards identified. These classifications can be viewed as a gauge of the community’s capabilities in all phases of emergency management (preparedness, response, recovery and mitigation) and are used as an underwriting parameter for determining the costs of various forms of insurance. The CRS class applies to flood insurance while the BCEGS and Public Protection classifications apply to standard property insurance. CRS classifications range on a scale of 1 to 10 with class 1 being the best possible classification, and class 10 representing no classification benefit. Firewise classifications include a higher classification when the subject property is located beyond 1000 feet of a creditable fire hydrant and is within 5 road miles of a recognized Fire Station.

Criteria for classification credits are outlined in the following documents:

- The Community Rating System Coordinators Manual
- The Building Code Effectiveness Grading Schedule
- The ISO Mitigation online ISO’s Public Protection website at <https://www.isomitigation.com/ppc/>
- The National Weather Service Storm Ready website at <http://www.stormready.noaa.gov/index.html>
- The National Firewise Communities website at <http://firewise.org/>

Self-Assessment of Capability

The table below provides an approximate measure of the Village of New Hempstead’s capability to work in a hazard-mitigation capacity and/or effectively implement hazard mitigation strategies to reduce hazard vulnerabilities.

Table 9.11-11. Self-Assessment Capability for the Municipality

Degree of Hazard Mitigation Capability
--

Area	Limited (If limited, what are your obstacles?)*	Moderate	High
Planning and regulatory capability		X	X
Administrative and technical capability			X
Fiscal capability			X
Community political capability			X
Community resiliency capability			X
Capability to integrate mitigation into municipal processes and activities		X	

National Flood Insurance Program

XXXX Local ordinance meets FEMA & State Minimum Requirements.

Integration of Hazard Mitigation into Existing and Future Planning Mechanisms

For a community to succeed in reducing long-term risk, hazard mitigation must be integrated into the day-to-day local government operations. As part of this planning effort, each community was surveyed to obtain a better understanding of their community's progress in plan integration. A summary is provided below. In addition, the community identified specific integration activities that will be incorporated into municipal procedures.

Planning

~~XXXX~~ Village has Planning Board and a Planning Consultant

Regulatory and Enforcement (Ordinances)

XXXX Flood Damage Prevention ordinance, Stormwater Management ordinance, Illicit Discharge ordinance, wetlands, Subdivision, Zoning

Operational and Administration

~~XXXX~~ Village Board, Planning Board, Zoning Board of Appeals

Funding

~~XXXX~~ Operational Budget, Grant (potential)

Education and Outreach

~~xxxx~~ Stormwater Consortium, Municipal Planning Federation

Indian Point Nuclear Power Plant.

9.11.6 Mitigation Strategy and Prioritization

This section discusses past mitigations actions and status, describes proposed hazard mitigation initiatives, and prioritization.

Past Mitigation Initiative Status

The following table indicates progress on the community's mitigation strategy identified in the 2010 Plan. Actions that are carried forward as part of this plan update are included in the following subsection in its own table with prioritization. Previous actions that are now on-going programs and capabilities are indicated as such in the following table and may also be found under 'Capability Assessment' presented previously in this annex.

Table 9.11-12. Status of Previous Mitigation Actions

2010 Mitigation Action	Responsible Party	Status (In progress, No progress, Complete)	Describe Status	Next Step (Include in 2017 HMP or Discontinue)	Describe Next Step
		Choose an item.		Choose an item.	
		Choose an item.		Choose an item.	
		Choose an item.		Choose an item.	
		Choose an item.		Choose an item.	
		Choose an item.		Choose an item.	

Completed Mitigation Initiatives not Identified in the Previous Mitigation Strategy

The Village of New Hempstead has identified the following mitigation projects/activities that have also been completed but were not identified in the previous mitigation strategy in the 2010 Plan:

- XXXX M/A

Proposed Hazard Mitigation Initiatives for the Plan Update

The Village of New Hempstead participated in a mitigation action workshop in XXXX and was provided the following FEMA publications to use as a resource as part of their comprehensive review of all possible activities and mitigation measures to address their hazards: FEMA 551 'Selecting Appropriate Mitigation Measures for Floodprone Structures' (March 2007) and FEMA 'Mitigation Ideas - A Resource for Reducing Risk to Natural Hazards' (January 2013).

Table 9.11-13 summarizes the comprehensive-range of specific mitigation initiatives the Village of New Hempstead would like to pursue in the future to reduce the effects of hazards. Some of these initiatives may be previous actions carried forward for this plan update. These initiatives are dependent upon available funding (grants and local match availability) and may be modified or omitted at any time based on the occurrence of new hazard events and changes in municipal priorities. Both the four FEMA mitigation action categories and the six CRS mitigation action categories are listed in the table below to further demonstrate the wide-range of activities and mitigation measures selected.

As discussed in Section 6, 14 evaluation/prioritization criteria are used to complete the prioritization of mitigation initiatives. For each new mitigation action, a numeric rank is assigned (-1, 0, or 1) for each of the 14 evaluation criteria to assist with prioritizing your actions as 'High', 'Medium', or 'Low.' The table below summarizes the evaluation of each mitigation initiative, listed by Action Number.

Table 9.11-14 provides a summary of the prioritization of all proposed mitigation initiatives for the Plan update.

Table 9.11-13. Proposed Hazard Mitigation Initiatives

Initiative	Applies to New and/or Existing Structures*	Hazard(s) Mitigated	Goals and Objectives Met	Lead and Support Agencies	Estimated Benefits	Estimated Cost	Sources of Funding	Timeline	Priority	Mitigation Category	CRS Category
Mitigation Initiative											

Notes:

Not all acronyms and abbreviations defined below are included in the table.

*Does this mitigation initiative reduce the effects of hazards on new and/or existing buildings and/or infrastructure? Not applicable (N/A) is inserted if this does not apply.

Acronyms and Abbreviations:

- CAV Community Assistance Visit
- CRS Community Rating System
- DPW Department of Public Works
- FEMA Federal Emergency Management Agency
- FPA Floodplain Administrator
- HMA Hazard Mitigation Assistance
- N/A Not applicable
- NFIP National Flood Insurance Program
- OEM Office of Emergency Management

Potential FEMA/HMA Funding Sources:

- FMA Flood Mitigation Assistance Grant Program
- HMGF Hazard Mitigation Grant Program
- PDM Pre-Disaster Mitigation Grant Program
- RFM Repetitive Flood Claims Grant Program (discontinued in 2015)
- SRL Severe Repetitive Loss Grant Program (discontinued in 2015)

Timeline:

- Short 1 to 5 years
- Long Term 5 years or greater
- OG On-going program
- DOF Depending on funding

Costs:

Where actual project costs have been reasonably estimated:

- Low < \$10,000
- Medium \$10,000 to \$100,000
- High > \$100,000

Where actual project costs cannot reasonably be established at this time:

- Low Possible to fund under existing budget. Project is part of, or can be part of an existing on-going program.
- Medium Could budget for under existing work plan, but would require a reapportionment of the budget or a budget amendment, or the cost of the project would have to be spread over multiple years.

Benefits:

Where possible, an estimate of project benefits (per FEMA's benefit calculation methodology) has been evaluated against the project costs, and is presented as:

- Low < \$10,000
- Medium \$10,000 to \$100,000
- High > \$100,000

Where numerical project benefits cannot reasonably be established at this time:

- Low Long-term benefits of the project are difficult to quantify in the short term.
- Medium Project will have a long-term impact on the reduction of risk exposure to life and property, or project will provide an immediate reduction in the risk exposure to property.

Costs:

High

Would require an increase in revenue via an alternative source (i.e., bonds, grants, fee increases) to implement. Existing funding levels are not adequate to cover the costs of the proposed project.

Benefits:

High

Project will have an immediate impact on the reduction of risk exposure to life and property.

Mitigation Category:

- Local Plans and Regulations (LPR) - These actions include government authorities, policies or codes that influence the way land and buildings are being developed and built.
- Structural and Infrastructure Project (SIP) - These actions involve modifying existing structures and infrastructure to protect them from a hazard or remove them from a hazard area. This could apply to public or private structures as well as critical facilities and infrastructure. This type of action also involves projects to construct manmade structures to reduce the impact of hazards.
- Natural Systems Protection (NSP) - These are actions that minimize damage and losses, and also preserve or restore the functions of natural systems.
- Education and Awareness Programs (EAP) - These are actions to inform and educate citizens, elected officials, and property owners about hazards and potential ways to mitigate them. These actions may also include participation in national programs, such as StormReady and Firewise Communities.

CRS Category:

- Preventative Measures (PR) - Government, administrative or regulatory actions, or processes that influence the way land and buildings are developed and built. Examples include planning and zoning, floodplain local laws, capital improvement programs, open space preservation, and storm water management regulations.
- Property Protection (PP) - These actions include public activities to reduce hazard losses or actions that involve (1) modification of existing buildings or structures to protect them from a hazard or (2) removal of the structures from the hazard area. Examples include acquisition, elevation, relocation, structural retrofits, storm shutters, and shatter-resistant glass.
- Public Information (PI) - Actions to inform and educate citizens, elected officials, and property owners about hazards and potential ways to mitigate them. Such actions include outreach projects, real estate disclosure, hazard information centers, and educational programs for school-age children and adults.
- Natural Resource Protection (NR) - Actions that minimize hazard loss and also preserve or restore the functions of natural systems. These actions include sediment and erosion control, stream corridor restoration, watershed management, forest and vegetation management, and wetland restoration and preservation.
- Structural Flood Control Projects (SP) - Actions that involve the construction of structures to reduce the impact of a hazard. Such structures include dams, setback levees, floodwalls, retaining walls, and safe rooms.
- Emergency Services (ES) - Actions that protect people and property during and immediately following a disaster or hazard event. Services include warning systems, emergency response services, and the protection of essential facilities.

Table 9.11-14. Summary of Prioritization of Actions

Mitigation Action/Project Number	Mitigation Action/Initiative	Life Safety	Property Protection	Cost-Effectiveness	Technical	Political	Legal	Fiscal	Environmental	Social	Administrative	Multi-Hazard	Timeline	Agency Champion	Other Community Objectives	Total	High / Medium / Low

Note: Refer to Section 6, which conveys guidance on prioritizing mitigation actions.

9.11.7 Future Needs To Better Understand Risk/Vulnerability

None at this time.

9.11.8 Hazard Area Extent and Location

Hazard area extent and location maps have been generated for the Village of New Hempstead that illustrate the probable areas impacted within the municipality. These maps are based on the best available data at the time of the preparation of this plan, and are considered to be adequate for planning purposes. Maps have only been generated for those hazards that can be clearly identified using mapping techniques and technologies, and for which the Village of New Hempstead has significant exposure. These maps are illustrated in the hazard profiles within Section 5.4, Volume I of this Plan.

9.11.9 Additional Comments

None at this time.

Figure 9.11-1. Village of New Hempstead Hazard Area Extent and Location Map 1

Figure 9.11-2. Village of New Hempstead Hazard Area Extent and Location Map 2

ACTION WORKSHEETS WILL GO HERE

Please work with your municipal planning team and complete this worksheet. Please send electronic Word version by October 21, 2016 to:
Jonathan Raser, CFM
Phone: 973-630-8042 E-mail: jonathan.raser@tetrattech.com

Municipality: Village of New Hempstead
NFIP Floodplain Administrator Name/Title: Building Inspector

Flood Vulnerability Summary

- Does the municipality maintain lists/inventories of properties that have been flood damaged? If so, does this inventory identify property owners who are interested mitigation (e.g. elevation, acquisition)?
No records
- Characterize/quantify the number of structures damaged during Floyd, Irene, Sandy or other events. If possible, can you provide a table of these structures indicating the number of residential / commercial / industrial?
No records
- Do you make Substantial Damage estimates, and how many were declared for Sandy or other events?
No
- How many are interested in mitigation (elevation or acquisition), and how many are currently in the process of mitigation?
No records
- What is the funding source(s) for those being mitigated (e.g. property owner, flood insurance and ICC, grant funding)?
N/A

Resources

- Are you the sole person assuming the responsibilities of floodplain administration, or do you have other staff or use contract staff if needed?
Staff - Brooker Engineering, Village Engineer
- Provide an explanation of the NFIP administration services and functions you and your department provide (e.g. permit review, inspections, damage assessments, record-keeping, GIS, education and outreach).
Call of these.
- Do you provide any education or outreach to the community regarding flood hazards/risk, and flood risk reduction through NFIP insurance, mitigation, etc.? Please describe.
website, mailers, emails, publications in Village Hall

9. Are there any barriers to running an effective floodplain management program in your community?

NO

10. Do you feel that you are adequately supported and trained to fulfill your responsibilities as the municipal floodplain administrator?

Yes

11. Would you consider attending continuing education and/or certification training on floodplain management if it were offered in the County for all local floodplain administrators?

Yes

Compliance History

12. Is the community in good-standing in the NFIP? If not, what are the outstanding compliance issues?

Yes

13. When was the most recent compliance audit [e.g. Community Assistance Visit (CAV)]?

Not Sure

Regulatory

14. Do your floodplain management regulations/ordinances exceed the FEMA and State minimum requirements?

meet

15. Are there other local ordinances, plans or programs (e.g. site plan review) that support floodplain management and meeting the NFIP requirements? For instance, does the planning board or zoning board consider efforts to reduce flood risk when reviewing variances such as height restrictions?

Stormwater management law, Wetlands law

16. Has the community considered joining (or rejoining) the Community Rating System (CRS) program to reduce flood insurance premiums for their insured? If so, would your community attend a CRS seminar if offered locally?

NO

**Rockland County Hazard Mitigation Plan Update
Worksheet #4 - Mitigation Action Review Worksheet for
Village of New Hempstead**

Please work with your municipal planning team and complete this worksheet. Please send electronic Word version by October 21, 2016 to:
Jonathan Raser, GFM
Phone: 973-630-8042 E-mail: jonathan.raser@testratech.com

Who can provide you information about past mitigation actions: See the 'Responsible Party' column in the table below which identifies who put this action in the 2010 HMP (e.g., DPW, Engineer, Code Official, Planner, OEM Coordinator).

Please use the following table to indicate progress and next steps on your community's mitigation strategy identified in the 2010 HMP. Please be as detailed as possible.

Action Number	2010 Mitigation Action	Responsible Party	Status (In progress, No progress, Complete)	Describe Status 1. Please describe what was accomplished and indicate % complete. 2. If there was no progress, indicate what obstacles/delays encountered? 3. If there was progress, how/when was the action being funded (e.g., FEMA HMGP grant local budget)?	Next Step (Include in 2016 HMP or Discontinue)	Describe Next Step 1. If including action in the 2016 HMP, revise/reword to be more specific (as appropriate). 2. If discontinue, explain why.
	<i>Example</i> Elevate Main Street Bridge	DPW	No Progress	1. 0% complete 2. Budget and personnel constraints have restricted this action from moving forward 3. No funding secured	Include in 2016 HMP	1. Elevate Main Street Bridge above the base flood elevation. 2. (If you chose Discontinue here is an example. The Town does not have the authority to retrofit this bridge; it is owned by the State

Subject: Rockland County FEMA Hazard Mitigation Plan Update
Authorization and Letter of Intent to Participate – Village of New Square

Dear Mr. Jensen:

Village of New Square is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Village of New Square:

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.
2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:
 - Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
 - Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:

- Structure and facility inventory data
- Identification of new development and anticipated development
- Identification of natural hazard risk areas
- Identification of natural hazard events and losses that have impacted your community in the last five years
- Identification of plans, studies, reports and ordinances addressing natural hazard risk
- Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: Aron Kaff	Position/Department: Director of Public Safety & OEM
Phone Number:	Email Address:

845-222-3030	OEM@newsquare.us
Alternate/Secondary POC: Yakov Berger	Position/Department: Trustee
Phone Number: 845-222-2585	Email Address: trusteeberger@newsquare.us

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: Manny Carmona	Position/Department: Code Enforcement Officer
Phone Number: 845-558-5904	Email Address: building@newsquare.us

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

David Breuer

Authorization and Letter of Intent to Participate – Village of Nyack

Dear Mr. Jensen:

The Village of Nyack is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the Village of Nyack:

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.

2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:

- Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
- Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
- Support the Steering Committee selected to oversee the development of this plan.
- Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
- Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:

- Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
 - Completing data and information collection survey forms in a timely manner.
 - Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
 - Involve your local NFIP Floodplain Administrator in the planning process.
 - Review draft Plan sections when requested and provide comment and input as appropriate.
 - Adopt the Plan by resolution of their governing body after FEMA conditional approval.
 - Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

Authorization and Letter of Intent to Participate - *Village of Pomona*

Dear *MR. JENSEN*:

Village of Pomona is committed to participating in the regulatory 5-year update of the Rockland County Multi-Jurisdictional All Hazards Mitigation Plan (HMP) Project. By way of this letter, the *Village of Pomona*

1. Authorizes the Rockland County Office of Fire and Emergency Services and the County Hazard Mitigation Steering Committee ("Steering Committee"), to guide and direct this planning process, perform certain parts of the planning process, and prepare certain parts of the plan documents on our behalf.

2. Agrees to meet the minimum requirements of municipal participation (a.k.a. the Planning Partner Expectations), specifically:

- Execute and return this "Authorization and Acknowledgement" letter to the Rockland County Office of Fire and Emergency Services, attention: Christopher F. Jensen.
- Identify municipal representatives to serve as the planning point of contacts (POC), below. These people will be responsible for representing their community and assuring that these participation expectations are met by their community.
- Support the Steering Committee selected to oversee the development of this plan.
- Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
- Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas
 - Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.

- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
- Completing data and information collection survey forms in a timely manner.
- Identify specific mitigation actions to address each of the natural hazards posing significant (or high or medium) risk to your community.
- Involve your local NFIP Floodplain Administrator in the planning process.
- Review draft Plan sections when requested and provide comment and input as appropriate.
- Adopt the Plan by resolution of their governing body after FEMA conditional approval.
- Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our Jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: FRANCES ARSA ARTHA	Position/Department: CLERK
Phone Number: 845-354-0545	Email Address: FRAN.ARSAARTHA@POMONAVILLAGE.COM
Alternate/Secondary POC: BRETT YAGEL	Position/Department: MAYOR
Phone Number: 845-354-0545	Email Address: BRETT.YAGEL@POMONAVILLAGE.COM

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: P.J. Corless	Position/Department: Village Engineer
Phone Number: 845-354-0545	Email Address: joe@corless.com

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

Village of Sloatsburg

 - Support the Steering Committee selected to oversee the development of this plan.
 - Provide representation at municipal Planning Committee meetings (~ 3 meetings over 6-8 months, including a Kick-Off Meeting and a Mitigation Strategy Workshop).
 - Provide data and information about your community as requested by the Steering Committee or the contract consultant, including:
 - Structure and facility inventory data
 - Identification of new development and anticipated development
 - Identification of natural hazard risk areas

- Identification of natural hazard events and losses that have impacted your community in the last five years
 - Identification of plans, studies, reports and ordinances addressing natural hazard risk
 - Identify mitigation activity in your community in the last five years, including progress on previously identified mitigation actions.
- Support public outreach efforts in your community which may include:
 - Providing notices of the planning project on your municipal website with links to a County project website
 - Providing notice of the planning project, the availability of Plan documents, and notice of public meetings via available local media (e.g. newsletters, flyers, email blasts, social media, etc.)
 - Advertising and supporting public meetings in your area
 - Supporting outreach to National Flood Insurance Program (NFIP) Repetitive Loss and Severe Repetitive Loss property owners in your community.
- Assist with the identification of stakeholders within your community that should be informed and potentially involved with the planning process.
 - Completing data and information collection survey forms in a timely manner.
 - Identify specific mitigation actions to address each of the natural hazards posing significant [or high or medium] risk to your community.
 - Involve your local NFIP Floodplain Administrator in the planning process.
 - Review draft Plan sections when requested and provide comment and input as appropriate.
 - Adopt the Plan by resolution of their governing body after FEMA conditional approval.
 - Periodically provide the Steering Committee with reports of municipal staff and volunteer labor spent on the planning process.

3. Assigns the following persons to be the Points of Contact for our jurisdiction. We understand that these POCs are responsible for assuring municipal representation at municipal Planning Committee meetings, and assuring that the other minimum requirements of jurisdictional participation, as detailed in the Planning Partner Expectations above, are met.

Primary POC: Ralph W. Kirschkel	Position/Department: Trustee / Emergency Service Coordinator
Phone Number: 845-825-7606	Email Address: Rkirschkel@westhaverstraw.org

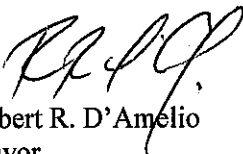

Alternate/Secondary POC: Jay Barry	Position/Department: Superintendent of Highways
Phone Number: 845-608-2102	Email Address: jbarry@westhaverstraw.org

4. Our designated local Floodplain Administrator (FPA) under the NFIP is:

Name of NFIP FPA: Joe Corless	Position/Department: Village Engineer
Phone Number: 845-641-7636	Email Address: joe@corless.com

5. Recognizes that failure to meet the minimum participation expectations and deadlines, as determined by the Steering Committee will result in our municipality being excluded from the planning process.

Sincerely,

Robert R. D'Amelio
Mayor
