

## APPENDIX H. HIGH HAZARD POTENTIAL DAMS

This is a confidential appendix that summarizes the quantitative vulnerability assessment conducted for the dam failure hazard in Rockland County. This section contains information and details to support information provided in Section 4.3.1 (Dam Failure) which provides the information regarding dam failure in Rockland County. Due to the sensitive nature of this information, details have been redacted. Contact the HMP Coordinator, Christopher Jensen ([jensenc@co.rockland.ny.us](mailto:jensenc@co.rockland.ny.us)), for more information.
